

# Namibia Cross-Border Information

- 
- Valid passport of the driver
- Certified copy of vehicle registration papers in the name of the driver
- Letter of authority from the registered owner if the vehicle is not owned by the driver
- If vehicle is still being financed, carry a letter of authority from the bank (must include dates of travel) together with the vehicle license papers.
- **Valid driver's license**
- **Carnet de Passage:** Only compulsory if the vehicle is being shipped to Namibia. Application forms can be downloaded [here](#). Police Clearance Certificates are not required for temporary importation. These are only required if the vehicle is being used for rental purposes or if the importer is in the country on a working permit.
- **Permit:** Allowed up to three months, if staying in Namibia for longer and on a working permit, a provisional payment of duties valued at 16.5% of the value of the car has to be paid to customs. This is refundable upon the car's export from Namibia. The work permit must be shown on the passport and on the letter from the company in Namibia confirming that you will be working for them. Cars registered in Uganda, Kenya, Tanzania, Malawi, Zambia, Zimbabwe, South Africa, Mozambique and Botswana do not need to obtain a Carnet.
- **ZA Sticker:** Available at any [AA Accredited Sales Agent](#) store
- **Motor Insurance Certificate:** Obtainable at the Border Free of Charge. Valid for 30 days
